for further information

Gesture Control

Contactless control via a set of intuitive hand gestures.

- Volume increase/decrease
- Mute/un-mute
- Skip track forward/back**

Touch Panel Control

Power, volume, input selection & play/pause**

Stylish Wipe Clean Control Panel

No need to worry about sticky fingers in the kitchen, the E50 has a wipe clean surface.

Simple to Install

E50 comes complete with 2 ceiling speakers and speaker cables, so you'll have everything you need to get up and running.

Bluetooth

Bluetooth connectivity for iPhones, iPods, iPads and android devices allow you to stream both music and radio to the E50.

Superb Sound Quality

Supplied with 2 high output install speakers from multi-awarding Q Acoustics. (Upgradable to 4 speakers)

Real Stereo Sound

Important in large rooms and open plan layouts.

TV Sound Input

Connection on the rear of the control panel to connect to your TV, and experience dramatically improved sound quality.

Easy Access Line Input

Direct connection from almost any audio device via front panel jack socket.

**when used in Bluetooth mode with compatible devices.
